

Skinner AMS 533

One for many purposes.

weber

Technical data

Motor output (kW)	0,75
Cutting width (mm)	533
Dimension (WxHxL in mm)	916x986x653
Net weight (kg)	230
Power connection (V/Hz/A)	400/50/16
Compressed air (bar)	6

Options:

- Special tension rollers
- Special voltages

Skinner AMS 533

Powerful skinning machine for large and small cuts of beef, veal, pork, turkey, horse and game. Skinner AMS 533 provides ideal cutting widths, even for processing large cuts such as beef topside.

Powerful

- Powerful at highest yields and with a compact footprint
- Optional product-specific transport rollers with blades that are optimally adjusted to them provide the highest possible yields
- Ideal cutting width for powerful skinning of large and small pieces

Safe

- Blade protection in cleaning position
- Geared brake motor with quick stop

Efficient

- Highest yields
- Product-specific tension rollers
- Cleaning of tension rollers with nozzle-block compressed air enables consistent skinning results
- Smartlock – blade holder with quick-release lock
